

Charity Shop Volunteers Needed

Mind in Furness is a charity dedicated to helping people improve their mental health. You can help raise money for a great cause by lending a hand in our Barrow shop!

About the role

Mind in Furness Charity Shop sells good quality clothes, books, toys, wool and household items. We also have an 'advice hub' at the back of the shop with a range of useful information about mental health, how to access services and other sources of local support.

Charity shop volunteers play a key role in helping raise funds for the charity's work.

Eye for fashion, book lover or Ebay master? Welcoming and helpful, presentation skills, or great at organisation? We could use your help!

We're looking for volunteers to help with:

- welcoming and serving customers
- operating the till, cashing up and admin
- Sorting donated items, pricing up goods, and stocking the shop
- Creating interesting shop or window displays
- Keeping the shop clean and tidy
- Develop online sales through Ebay, Vinted or similar

You will be able to give a warm welcome to visitors, and work alongside other volunteers and the Shop Manager to keep the shop looking great, refresh stock and serve customers. You don't need experience in retail, but a helpful attitude and willingness to learn are key for the role. Training and induction will be provided.

We currently need help on:

- Thursdays and Saturdays for
- 3 hrs of volunteering between 9:30am-12:30pm and 12:30pm-3:30pm
- in our Barrow-in-Furness shop on Dalton Road.
